SAMPSON COUNTY CONVENTION & VISITORS BUREAU ANNOUNCES OPEN ENROLLMENT FOR THE EVENT MARKETING GRANT PROGRAM FROM NOVEMBER 30, 2018 - DECEMBER 31, 2018

Event Marketing Grant Program developed to assist in promoting events and attraction across Sampson County

(Sampson County, NC) -- The Sampson County Convention & Visitors Bureau (SCCVB) announced today that open enrollment will start effective November 30, 2018 and will run through December 31, 2018 for all Event Marketing Grant Applications. All applications must be postmarked by December 31, 2018 to be considered in the second application cycle of 2018.

The Event Marketing Grant Program is the newest tool in its arsenal developed to assist Sampson County organizations in the promotion of special events and visitor attractions. On January 23, 2018, the Sampson County CVB Board of Directors approved the implementation and funding of the Sampson County Convention & Visitors Bureau Event Marketing Grant Program.

The SCCVB Event Marketing Grant Program (EMGP) was developed to further stimulate economic growth within the County by supporting non-profit organizations and visitor attractions that are in Sampson County that sponsor special events or those that manage local visitor attractions.

"The new grant program provides the SCCVB with the ability to award marketing funds to organizations and attractions that work to attract both overnight visitors, as well as day-trippers to Sampson County" stated Ms. Sheila Barefoot, Director, Sampson County Convention and Visitors Bureau. All Event Grant Marketing funds awarded can only be

used for the marketing, advertising or promotion of special events or local attractions that are being promoted in media markets located outside of Sampson County.

Organizations that may apply for EMGP funding include any legally chartered 501-(c3) non-profit Sampson County organization or chartered municipality representing a visitor attraction or large special events that strive to promote tourism within the County by attracting visitors. Documentation of legal status, tax exemption, federal identification number, budget, and organizational purpose are required with all applications.

Funding for the SCCVB EMGP is provided through room occupancy taxes (ROT) that are collected by Sampson County's lodging establishments which are generated as a result of overnight lodging by visitors to Sampson County. The SCCVB has tentatively allocated \$3,000 for Fiscal Year 2018-2019 towards the Event Marketing Grant Program.

The Sampson County CVB was approved and enacted to be a public authority established through legislation by the General Assembly of the State of North Carolina and adopted, approved, and enacted by the Sampson County Board of Commissioners with the purpose of promoting the development of travel and tourism related activities in Sampson County, through state, regional and national advertising, marketing and promotional activities and campaigns.
